9. It is the responsibility of the Contractor

Change in Scope/ Nature of Work during Progress of Work

10. It shall be dealt as per relevant Clauses of the NIT (Deviation Clauses, Clauses related to extension of Time etc.)

Appointment of Sub-Contractor by Contractor

11. No sub-letting of the work as a whole by the Contractor is permissible. Prior permission is required to be taken from the principle employer for engagement of sub-Contractors in hiring equipment contract for part work / piece rated work.

The works contract may provide for the contractor to get specified works executed from subcontractors included in the pre-qualification application or later agreed to by the Procuring Entity, with a caveat that the responsibility for all sub-contact work rests with the prime contractor. Sub-contracting may be for specialized items of work. Procurement of material, hiring of equipment or engagement of labour will not mean sub-contracting. The total value of subcontracted work should not exceed the percentage of the contract price specified in the contract (say 25%). Sub-contracting by the contractor without the approval of the Procuring Entity shall be a breach of contract, unless explicitly permitted in the contract.

Termination/ Cessation of Work with Notice

12. The management reserves the right to terminate the work by giving notice by displaying such notice on the colliery/ Area notice board, without assigning any reason. The measurement of the transportation in such eventuality be taken up to the date of such termination by the management.

13. The management reserves the right to terminate the contract under the following specific conditions/ circumstances:

- (a) Unsatisfactory performance of the contracted work
- (b) Involvement in action causing breach of peace and discipline within the Company/area premises.
- (c) Failure to comply with terms and conditions of the contract
- (d) Moral turpitude
- (e) Violation of the provisions under various laws and awards in force from time to time as are applicable to the work
- (f) Any action on the part of the Contractor which in the opinion of the management is detrimental to the interest of the Company.

Production of Evidence for Payment of Government Dues Connected with the Work

14. The Contractor is to produce evidence of payment of government dues (e.g. toll taxes, royalty for sand) which he is under legal obligation to pay to state government or any other legal authority to the Company every month.

Escalation in the Rates

15. Escalation in the rates shall not be considered under any circumstances as the rates have been quoted and Finalized for a given period for which the contract is to remain in force.

Fleet Strength

16. The Contractor shall submit to the Area General Manager concerned before commencement of the work, a list of trucks/ tipping trucks to be deployed for the work with respective registration marks and the names and addresses of the owners of vehicles not owned by the Contractor. Any change in the list furnished during progress of work shall be intimated immediately to the concerned Area General Manager.

Contractor's Representation at Site

17. The Contractor shall depute his agent/ representative to be in charge of the work during the period of contract. The agent/ representative shall receive instruction on the Contractor's behalf, from the Area General Manager or any official authorized by him for the purpose.

18. The above terms and conditions are, however, subject to review by the Management and may be revised/ altered in the interest of the work as may be mutually agreed upon.

19. The work order is being issued to you in duplicate. Please return the duplicate copy duly signed on all pages, as a token of your acceptance.

Yours faithfully,

Staff Officer (Mining)
B&K Area
