NOTICE FOR POWER SECTOR RAIL CONSUMERS

The Power Sector consumers procuring coal supplies via Rail (Government Power Utilities and Independent Power Producers) under the February 2025 allocation, who have remitted or ensured the deposit of advance coal value through cash or Usance LC/IRLC, and whose rake programs remain unfulfilled due to pending indents in ODR or non-approval by Railways, are advised to convert the unmaterialized rake quantities to Road Mode. This can be done by submitting a formal application on or before 24th February 2025 for consideration and booking under "Road Mode." Such a measure may help in maintaining adequate coal stocks during the summer/peak demand season.

Yours faithfully,

General Manager (M&S)
