

Message

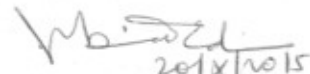

This Year the Vigilance Awareness Week is being observed from 26th October 2015 to 31st October 2015.

As per the directives of the Central Vigilance commission, the theme for this year's Awareness Week is "**Preventive Vigilance as a Tool of Good Governance.**" Good Governance is about processes of making good decisions and their effective implementation. Integrity of individuals, transparency and accountability are the pillars of Good Governance. Preventive Vigilance key measures such as improving existing systems/procedures to eliminate scope of corruption, reviews & inspections, minimising discretions, increasing efficiency levels and awareness campaign are some of such measures. Promoting ethical values and culture of honesty are other attributes of Preventive Vigilance which are instrumental in promoting Good Governance.

War, it is said, is too dangerous to be left to the Generals. The fighting corruption is too important an activity to be left only to CVC and Vigilance Department. The involvement of all the stakeholders including our employees are paramount in fighting this social evil.

I wish this year's vigilance awareness week proves to be quite useful in creating vigilance awareness amongst the stakeholders and help us to maintain highest ethical and moral standards in our lives to curb the evil of corruption and promote Good Governance.

I wish each one of you, the very best in life.

(Arbind Prasad, ITS)

Chief Vigilance Officer
Central Coalfields Limited
