Subject: Declaration of Income tax Regime for F.Y 2025-2026

In Union budget 2025-2026 the tax slab rates, exemptions & deductions have been changed and no tax has been proposed for taxable income upto Rs 12, 00,000 in new tax Regime.

Seeing the changes in the slab and exemption limits, the category of tax regime applicable to each employee who has adopted old tax regime upto last financial year needs to be reviewed & their choice of tax regime whether it will be new tax regime or old tax regime. It may be intimated to this office so that their tax calculation through SAP may be done according to their selection of tax regime for the current financial year i e. FY 2025-2026.

Yours faithfully
