

## **Training on mushroom cultivation in mining affected areas of Ramgarh district (Video with PR)**

Based on the request from the villagers living in mining affected areas of Hazaribagh Area, a CSR project was proposed which not only aimed at giving a training on mushroom cultivation to the 30 villagers, but also providing them support for marketing and packaging in Basantpur and nearby villages of Ramgarh district. The project would be implemented by YUVA, a registered society, working for the development of people in the region.
